

Hello, I am David!

I believe great software comes from simplicity, clean structure, and user-focused design.

Hire me

About Hein Htet Aung

Recent ICT graduate with a passion for building clean, modern, and user-focused web interfaces. I enjoy working with teams that value thoughtful UI, good frontend engineering practices, and continuous learning. If you're looking for a React developer who brings dedication, clarity, and strong frontend skills, I'd love to connect.
